"Family that prays together stays together" Mother Teresa

Mother Teresa is one of the most inspirational figures of the 20th century. In honor of the 25th anniversary of her passing, the Knights of Columbus has produced a feature-length documentary film on the life and legacy of this beloved humanitarian and the singular vision she and her sisters have embraced to serve the poor. Far more than a documentary, this film is a soaring tribute to a spiritual icon, and a guidepost for all who seek hope today. Bring your family, friends, and neighbors to see this definitive film on a modern saint and be

inspired to put your faith into action. For more information, visit motherteresamovie.com.

Mother Teres’s Holy Eucharist

Touching the body of Christ!

Mother Teresa of Calcutta had a rule that when a newcomer arrived to join her Order, the Missionaries of Charity, the very next day the newcomer had to go to the Home of the Dying. One day a girl came from outside India to join the Order. Mother Teresa said to her: ‘You saw with what love and care the priest touched Jesus in the Host during Mass. Now go to the Home for the Dying and do the same, because it is the same Jesus you will find there in the broken bodies of our poor.’ Three hours later the newcomer came back and, with a big smile, said to her, ‘Mother, I have been touching the body of Christ for three hours.’ ‘How? What did you do?’ Mother Teresa asked her. ‘When I arrived there,’ she replied, ‘they brought in a man who had fallen into a drain, and been there for some time. He was covered with dirt and had several wounds. I washed him and cleaned his wounds. As I did so I knew I was touching the body of Christ.’

-To be able to make this kind of connection we need the help of the Lord himself. It is above all in the Eucharist that he gives us this help.

This Sunday Our Youth is conducting half an Hour adoration before the Holy Mass at 9.30 am. I invite all the youth to participate actively in it. Please come join them. Appreciated, Father George
